THE COST OF LIVING IN NEW-YORK. FRIDAY, June 17-P. M.

We give below quotations of some of the leading articles of food, sold in small quantities for ordinary family consumption, and shall make the list more complete as the season advances and additional vegetables and fruits are found on sale. Our range includes fair to good articles, omitting cheap, stale meats and vegetables, and not embracing the high prices paid by some of the first-class restaurants and saloons for extra
fine productions. The recent warm weather has had
the effect to bring forward some new vegetables and
fruits, but an active shipping demand to Philadelphia,
